

Total length (cm): 104

Total weight (kg): 3.7

Barreled Action

Bolt throw : Straight pull

Locking: 7 hardened steel balls

Finsih: blued

Trigger

Type: Two stage trigger 5020

Version: right

Tilting range (mm): 11

Adjustment of the trigger shoe (mm): 23

Trigger blade: 008541

Color of the trigger shoe: Black

Safety: Sliding safety catch

Trigger weight, adjusted (g): 550

Adjustment of the trigger weight (mm): 90-650

Barrel

Material: Steel

Finish: Nitrided

Caliber: .22 l.r.

Length of twist (mm): 420

Number of grooves: 8

Rifling (mm): 534

Barrel verison: Sprint

Muzzle diameter (mm): 19

Barrel length (mm): 550

Stock

Aluminum grooved rail on the side: yes

Aluminum grooved rail on the lower side: yes

Stippled checkering: yes

Length of stock (mm): 670

Clamping piece at the cheek: yes

Butt plate: yes

Butt plate: Biathlon butt plate

Material: Walnut

Stock finish: laquered

Length of pull (mm): 320-375

Butt Plate

Material: Aluminum

Adjustable (mm): 25

Weight (g): 115

Magazine

Caliber: .22 l.r.

Capacity: 5

Height: user.height - 4 cm
